

Giving Back.

The Sure Community Foundation in Jersey has made more than £25,000 in donations since its inception in 2017. During these unprecedented times the Sure Community Foundation has committed to supporting even more local charities and is working hard to help those more in need while the global Coronavirus pandemic continues to cause uncertainty in our community.

We recognise that many charities and local community groups rely solely on donations and unpaid volunteers so we try and support as many of them as we can.

Our assistance sometimes comes in the form of a sponsorship deal, a one-off donation or assisting with specific telecommunications needs.

Prosperity Day

Although, we are currently uncertain whether Prosperity Day will be able to take place this year, Sure is proud to be once again supporting the event.

Prosperity 24/7, the company behind the event, are using the day to support Philip's Footprints and the Animal Shelter.

These are both worthy causes and the Sure Foundation has agreed to support them with a donation of £1,000

The Philip's Footprints charity helps to support bereaved parents after the loss of a baby or child, and they invest in projects that make pregnancies safer, such as antenatal training, equipment and education.

The Animal Shelter works hard to help prevent cruelty to animals, and to provide much-needed help for sick, lost and unwanted animals in Jersey. Find out more about Prosperity Day here: www.prosperity247.com/prosperity-day

Cyber Security Educational Packs

Keeping young people safe online has never been more crucial. With the hundreds of apps and sites that children have access to it's becoming increasingly hard to know where dangers lie. That's why one of our Jersey employees, Chris Brown has been teaching cybersecurity awareness training at a primary school in his own time. He has previously self-funded the learning material used for the training at a cost of £250 per course, with each course covering three lessons for up to thirty children. But this year Sure would like to support all the amazing work he is doing so we have donated £500 towards educational packs and training sessions for when the training resumes.

Jersey Action Against Rape

JAAR is a support system to help prevent and heal the trauma of rape and sexual assault. They aim to heal by providing and maintaining a supporting framework for survivors and their families, this includes a dedicated helpline, website, on-site counselling and access to highly qualified and specially trained counsellors and psychotherapists. Sure donated nine handsets and nine SIMs to help JAAR's support staff stay connected and carry on the important work they do. For more information on JAAR: www.jaar.je

Caring Cooks Jersey

Caring Cooks Jersey is a charity that provides services to families in Jersey to support them in eating well and together as a family, to positively empower and influence the future health of the island's children and young people. Sure donated a Nintendo Switch and a game to the charity for a raffle.

For more information on the charity: www.caringcooksofjersey.com

Love Hearts Appeal

The Love Hearts appeal funds ground-breaking research that could help save the lives of children undergoing heart transplants. Sure donated a FitBit to the Love Hearts Appeal for their raffle. To read more on Love Hearts Appeal follow the link:

Jersey Cheshire Homes

Jersey Cheshire Home is the only residential facility on the island that cares solely for physically disabled adults. Those cared for all have debilitating physical disabilities that mean they can no longer live in their own home. Sure donated a Samsung Galaxy Tablet to the Jersey Cheshire Home as part of its raffle. For more information on the Jersey Cheshire Homes: www.jerseycheshirehome.je

Sure is extremely proud to be part of island life and is working hard to help those in need

Brightly

Brightly is a small, independent Jersey charity that provides support to children and young people living in care, care experienced, or who are experiencing adversity. As part of Sure's raffle prize initiative a pair of Apple AirPods have been donated to Brightly. For more information on Brightly: www.brightly.je
